Dear Council and Community Member,

You have been identified and are being invited by Mount Vernon Council of Citizens Associations (MVCCA) to participate in its comprehensive plan review/nomination process for this years South County Area Plans Review Process (APR).

The MVCCA believes it is important to engage other stakeholders within the Mt Vernon District in this process to assist the Council in providing input relating to the future vision of the planning sectors in the Mount Vernon District. This input will provide the MVCCA with insights that will be useful as it drafts its APR Nominations.

We will be using a workshop process known as a charette. A charette for those that may not have participated in one in the past is a formalized way to help participants look at issues in a clear and focused way within a defined schedule.

The first charette will be held on Saturday July 11th, 2009 and begin at 8:30 am and conclude at 1:00 pm and be held in the Mount Vernon High School Cafeteria located at 8515 Old Mount Vernon Rd., Alexandria, VA 22309.

So that we have an accurate count of attendees an RSVP is required please RSVP by July 9th, 2009 by e-mailing ksdjr@regentcompany.com

We look forward to your participation and insights as MVCCA formulates its APR nominations.
