

## **P&Z Resolution: Adding Antennae to a Cell Tower —SEA 97-V-046**

---

WHEREAS, Verizon has filed SEA 97-V-046 to add antennae to a 141-foot telecommunications tower located at 9128 Belvoir Court, Fort Belvoir, VA, and

WHEREAS, the tower is located in a secluded place, and

WHEREAS, there is a need for additional cell phone capacity in the area, and

WHEREAS, plantings required by development conditions of SE 97-V-046 to shield the equipment at the base of the tower were not installed, and

WHEREAS, the Special Exception was approved in 1998, therefore

NOW THEREFORE BE IT RESOLVED that the MVCCA does not oppose SEA 97-V-046 PROVIDED that the required plantings are added to the site as required by the original Special Exception,

BE IT FURTHER RESOLVED that DPWES be required to inspect the site at six-month intervals for at least two years to assure that the plantings are maintained.
