RE: URGENT ACTION E&R Resolution # 2015-03

Dear Supervisor Hyland,

At the MVCCA Board meeting on March 12, 2015 the Board recommended the sending of this E&R resolution to you on an urgent basis. This is due to a time-sensitive action needed from you or your staff in contacting Fairfax County Staff to delay, extend or suspend the permit process for Subdivision Plan No. #5447-SD-002-1 (Mount Vernon Park Phase II, Tax Map #110-1-06-0002 & 0003) on or before March 20, 2015. A copy of the proposed resolution, which will be voted on by the General Council on March 25, 2015, is included here along with a copy of the letter sent to impacted homeowners for your reference.

Please keep the MVCCA advised of any further developments related to these recommendations.

Sincerely,

s/JFH
