Re: Special Exception #SE 2014-MV-019

Dear Supervisor Hyland,

Enclosed please find a Resolution J 2014-2, adopted by the MVCCA on September 24, 2014, and entitled "Opposing Request for a Special Exception to fill in a flood plain and construct a home within a Resource Protection Area".

This Resolution, initially prepared jointly by the MVCCA Planning and Zoning Committee and the MVCCA Environment and Recreation Committee, supports the position of the New Alexandria Citizens' Association and opposes #SE 2014-MV-019 for the reasons set forth therein.

Please keep MVCCA advised of any further developments related to this Special Exception Request.

Sincerely,

Judith F. Harbeck, Co-chair MVCCA  
Ron Fitzsimmons, Co-chair MVCCA
