Dear Supervisor Storck,

The Mount Vernon Council of Citizens' Associations (MVCCA) strongly supports the building of the VDOT proposed Pedestrian Walkway Underpass at Dogue Creek in conjunction with the widening of Richmond Highway and completing the design and the dedication of the required right of way for both the Dogue Creek and the Little Hunting Creek bridge locations.

Support by you is desired, strongly requested, and appreciated. We look forward to hearing back from you and answering any of your questions.
