MVCCA RESOLUTION

Pawfectly Delicious Dog Treats Stand at the Mount Vernon District/McCutcheon Farmers Market MVCCA 01-2019

Whereas, the Mount Vernon District is a dog friendly area and dog owners would like to be able to purchase quality dog treats when we go to the Mount Vernon District/McCutcheon Farmers Market;

Whereas, the Fairfax County Park Authority's Farmers Market located on Sherwood Hall Lane does not offer a specialty selection of dog treats;

Whereas, the bakery stand at the market only offers a few dog treats and that is not their primary product line; yet

Whereas, Pawfectly Delicious Dog Treats, a local Non-Profit, offers healthy dog treats made from organic ingredients while providing meaningful work for Mount Vernon District young adults with physical and developmental disabilities; and

Whereas, in a collaborative effort the dough for these treats is provided by the Fairfax County Public School's Special Education Pulley Career Center's culinary arts program;

Whereas, the Pawfectly Delicious Dog Treats has received approval for the short winter extended season at the Mount Vernon District/McCutcheon Farmers Market and offered space at other County Markets longer distances from the home base for these young disabled adults and not convenient for Mount Vernon District Citizens ;

Whereas, the Mount Vernon District/ McCutcheon Farmers Market clientele would benefit by having Pawfectly Delicious Dog Treats available for purchase at the Wednesday Farmers Market for the entire market season; and

Whereas, the rules of the market allow for 45%-55% of the products to be non- fruits and vegetables;

Therefore be it Resolved, The Mount Vernon Council of Citizens Associations wants the Fairfax County Park Authority Farmers Market Manager to offer/approve Pawfectly Delicious Dog Treats a space at the McCutcheon Farmers market starting with 2020 market season.

Approved by the MVCCA General Council at their Oct 23, 2019 Meeting
