MOUNT VERNON COUNCIL OF CITIZENS' ASSOCIATION'S (MVCCA) RESOLUTION  
(TRANSPORTATION & PLANNING & ZONING) IN SUPPORT OF THE FAIRFAX COUNTY ECONOMIC  
INCENTIVE PROGRAM (EIP) 2020-03

1. Whereas: The Mount Vernon Council of Citizens Associations (MVCCA) has been seeking revitalization along Richmond Highway since MVCCA's inception in 1969, and;
2. Whereas: MVCCA's 2009 Comprehensive Plan change nominations were approved, and;
3. Whereas: The MVCCA has consistently supported EMBARK comprehensive plan changes, and;
4. Whereas: Educating the development community and landowners about the Economic Incentive Program (EIP) is critical in order to make it a success.

Therefore, be it resolved: The MVCCA fully supports the Economic Incentive Program (EIP) and encourages the following:

- A. Fairfax County Staff to work diligently and promptly with the Fairfax County Economic Development Authority to inform and educate local and national developers about this new program, and;
- B. Fairfax County staff to expedite development proposals under the EIP process, and;
