Dear Chairman Bulova:

Attached for your information and requested action is Resolution MVCCA-2015-07, "Dangerous Intersection," approved by the General Council of the Mount Vernon Council of Citizens' Associations on July 22, 2014, pertaining to the need for turning lanes at the intersection of Main Street and Broadway in the Mount Vernon District.

We request your assistance in seeking funding from [the Governor] to facilitate timely resolution of the existing problem. Please advise if the desired action meets with your support and is feasible to be implemented.

Sincerely yours,

Josephine Doe Andrew Elder Robert E. Young
